

Meet Our Coaches

Leeann Depka, Josh Gillen, and Mary Jo McGrath

Tumblemania has always been like a second home and family to all of us. We've all been coming here since we were really young, so we in a sense, grew up here. At Tumblemania, it is really important that we provide a positive, safe, and fun environment. Since we are all really good friends, it allows us to work great together. Coaching at Tumblemania has given all of us the opportunity to get to know so many kids and learn what makes each of them unique. Since Tumblemania always felt like a family to us, we take pride in continuing the family. We all get so much joy in teaching kids the sport we love so much!
